<p>Nadia, is present and creative when in class. She is extremely adaptable and quick to adjust to acting scenerios. Although excused, Nadia, unfortunately has missed a number of class instruction hours. I will send her what she needs to review.</p> <p>Review Date: 2020-07-04</p>		Not applicable.
End Of Term Review		Assignments
<p>Nadia is a creative student. Coming from a very perceptive nature, Nadia makes very interesting comments and observations. She operates with a rich understanding of mythology and brings this to class. I was impressed with her sensitivity and performance ability when she told me she had never tried acting. Nadia would have earned an A in this class had her attendance and presence in class been less interrupted.</p> <p>Review Date: 2020-07-28</p>		N/A
