Reviews & Grades Report: Ginny Bodsworth - Winter 2022		
DRAWING 231 Drawing Anatomy Introduction	Grade: A-	Attendance: 36 / 36 hours (100%)
Mid-Term Review	Assignments	
Ginny showed a keen interest in figure drawing and was quick and eager to understand anatomical proportions. She focused her class drills and exercises on anatomical design and on her rendering facility and skill. Review Date: 2022-02-14	Studies and projects on figure proportions, profiles, joints, and sketching shortcuts.	
End Of Term Review	Assignments	
Ginny finished the course with crisp examples of drawing projects and improved line rendering work. Additional exercise in gesture and smooth sketching skill are recommended. Review Date: 2022-02-14	Studies and drawing projects on: a. Head and portrait -- angles and hotspots b. Arms, hands and fingers --stat and active c. Femur, shin and feet -- design and action
