Here are some points for you to remember. Remember there are different reasons for drawing, so don't lose sight of your intent. A sketch is a quick basic representation of the subject matter not unlike a gesture drawing of a human. A study is a more involved and detailed exploration of one or more of the elements. A drawing is a completely finished piece that makes a considered artistic statement. Remember what it is you're trying to achieve and spend the appropriate amount of time to accomplish it.	<table> <tr> <td>Participation</td> <td>37/37</td> </tr> <tr> <td>Clouds</td> <td>5/7</td> </tr> <tr> <td>Landforms</td> <td>4/7</td> </tr> <tr> <td>Monuments Valley</td> <td>5/7</td> </tr> <tr> <td>Waterfalls</td> <td>5/7</td> </tr> <tr> <td>Trees</td> <td>5/7</td> </tr> <tr> <td>Castles</td> <td>4/7</td> </tr> <tr> <td>West Coast</td> <td>4/7</td> </tr> <tr> <td>China Town</td> <td>-/7</td> </tr> <tr> <td>Old Victoria</td> <td>4/7</td> </tr> <tr> <td>Total</td> <td>73/100</td> </tr> </table>		Participation	37/37	Clouds	5/7	Landforms	4/7	Monuments Valley	5/7	Waterfalls	5/7	Trees	5/7	Castles	4/7	West Coast	4/7	China Town	-/7	Old Victoria	4/7	Total	73/100

Start working from light to dark, large to small, background to foreground. This will help produce a better drawing in a shorter time.																								
Never start off drawing with dark tones. The dark tones are the last tones you apply.																								
Never outline the objects in your drawing, as those objects will look rather flat.																								
Try and find the fastest way to create the texture you are trying to represent, a little experimenting and practice on another sheet of paper will save you time in the long run.																								
Cut yourself a little slack, you're going to make mistakes and that's OK.																								
Have fun when you draw and your drawings will be fun to look at. Keep trying and you will get better.

Excellent work Kyra. Be a bit more carefull with your tonal control, you sometimes have too much contrast in the distance and as a result the scale and distance of your objects can look just a bit off. Your drawing of the olive trees and the skyline of Vancouver were both very well done.	Attendance 12/12
