DRAWING 101 Foundation	Grade: A	Attendance: 37.25 / 48 hours (78%)
Mid-Term Review		Assignments
<p>You're doing a super job, Shelbie, and your drawing is becoming more and more nuanced. Great job!</p> <p>Review Date: 2018-05-08</p>		<p>The work you completed at mid-term included exercises and studio studies in charcoal and conté working from nude models and still life. Foundation principles we covered in these classes were an introduction to horizontal and vertical composition, figure/ground relationships (positive/negative space), gesture, form, aerial perspective, linear perspective and light and shadow.</p>
End Of Term Review		Assignments
<p>You moved ahead by leaps and bounds, Shelbie, and I know you'll be applying the new approaches and techniques you've learned to all your drawing in the future. Super job!</p> <p>Review Date: 2018-05-20</p>		<p>Studio work from model and still life focusing on composition, positive/negative space, gesture, form, volume, light, tonal drawing, space, aerial and linear perspective, line, texture and portraiture.</p>
