<p>This student is doing excellently well, with all work submitted as due, and great class participation.</p> <p>Review Date: 2018-01-24</p>		2 of 2 short papers/reports
End Of Term Review		Assignments
<p>Nhien completed only one of the three written assignments and had very many absences during the short 4 week course. She then suffered a bereavement toward the end of the course, making it impossible for her to attend class. I think that it might be best to re-do the course rather than attempt to write another short paper plus a longer (1,000 word) research paper, although I am happy to accept these and adjust her final grade of an Incomplete.</p> <p>Review Date: 2018-02-20</p>		<p>2 short informal critiques</p> <p>1 final research paper</p> <p>participation in class discussion</p>
