ART HISTORY 317 The Trickster in Contemporary Indigenous Art	Grade: INC	Attendance: 36 / 36 hours (100%)
Mid-Term Review		Assignments
<p>Zach turned in an utterly brilliant first 'short' report, that was quite lengthy, had references, could have made up the greater part of a research paper, and was very original. He has yet to turn the second response that's due by this point, but if and when he does, he's well on his way to a stellar grade in this course.</p> <p>Review Date: 2020-11-21</p>		2 short reports, with responses to material covered and/or discussed in class
End Of Term Review		Assignments
<p>Zach owes me one short response written up from his class notes, and one final research project to receive a grade in this course. If he is able to get these to me by January 30th, 2021, I will be able to award him a grade with no penalty.</p> <p>Review Date: 2020-12-22</p>		<p>final 2 of 4 short reports</p> <p>Final research project</p>

DRAWING 101B Drawing Expressions and Techniques	Grade: C+	Attendance: 36 / 36 hours (100%)
Mid-Term Review		Assignments
<p>Zachary has submitted some drills and studies, which showed low-quality and almost lackadaisical response and participation. I'm hoping for better submissions on second half.</p> <p>Review Date: 2020-12-07</p>		<ol style="list-style-type: none"> <li>1. Line drawing strategies and shortcuts;</li> <li>2. Surface and texture variations.</li> <li>3. Blocking and gestural exercises.</li> <li>4. Modeling and flow of forms.</li> </ol>
End Of Term Review		Assignments
<p>Zachary ended the course with scant, weak and uninspired last-minute examples of required drills and exercises.</p> <p>Review Date: 2021-01-01</p>		<ol style="list-style-type: none"> <li>1. Studies on planes and their volumetric, geometric and polygonic extensions.</li> <li>2. Closed and open forms.</li> <li>3. Closed and open drawing with grids.</li> </ol>

DRAWING 231 Drawing Anatomy Introduction	Grade: C	Attendance: 34 / 36 hours (94%)
Mid-Term Review		Assignments
<p>Zachary has yet to manage his ability to focus on the lessons and keep pace with drills and studies. To-date he hasn't produced any example of significant in-class drawing.</p> <p>Review Date: 2020-09-27</p>		<p>a. Human proportions for three sides of both genders</p> <p>b. General features and parts of the head block and its link to the shoulder base.</p> <p>c. Proportions and harmony of torso, pelvis, and extremities. including hands and feet.</p>
End Of Term Review		Assignments
<p>Zachary's participation was lean and lackadaisical. Except for on-screen examples of uninterested drills, there are no submitted pieces to base reliable evaluation. The remaining credit for him is full attendance, listening and being there.</p> <p>Review Date: 2020-10-09</p>		<p>Assigned drills and studies on:</p> <p>a. Figures in perspective and action</p> <p>b. Clothing, action folds and complementary characterization</p> <p>c. Multiple-figure and narrative</p>
